1. Physician has read and understands this Interim Consent Agreement and the stipulated Findings of Fact, Conclusions of Law and Order ("Interim Consent Agreement"). Physician understands she has the right to consult with legal counsel regarding this matter.

2. By entering into this Interim Consent Agreement, Physician voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Interim Consent Agreement in its entirety as issued by the Board, and waives any other cause of action related thereto or arising from said Interim Consent Agreement.

3. This Interim Consent Agreement will not become effective until signed by the Executive Director.

4. All admissions made by Physician are solely for interim disposition of this matter and any subsequent related administrative proceedings or civil litigation involving the Board and Respondent.
