G. REVIEW, DISCUSSION AND POSSIBLE RECOMMENDATIONS REGARDING LEGISLATIVE AGENDA

- A.R.S. Title 32 Chapter 25 including statutory changes necessary for implementing two year renewal cycle and discussion and recommendation of possible revisions to statutory CME requirements.

The Committee discussed the statutory language regarding an annual audit of PA renewal applicants. It was noted that the audit would only affect the small population of PAs who do not hold national certification. AAG Smith explained to the Board that even with the change to a two-year renewal cycle, the Agency will continue to review PA licenses every year and the audit language as it currently exists is appropriate.

MOTION: Chairman Hoffa moved for the Committee to enter into Executive Session pursuant to A.R.S. § 38-431.03(A)(3).

SECOND: PA Whitfield

VOTE: 5-yay, 0-nay, 0-abstain, 0-recuse, 2-absent.

MOTION PASSED.

The Committee entered into Executive Session at 5:49 p.m.
The Committee returned to Open Session at 5:58 p.m.
No legal action was taken by the Committee during Executive Session.

The Committee discussed proposed changes to the CME requirement for license renewals; specifically, whether to require 20 hours per year or use language to indicate that 40 hours are required for the previous renewal year. The Committee recognized that using language to indicate that 40 hours is acceptable for both years would allow the PA more flexibility in the qualified date range for obtaining the required CME. Per the Committee's discussion, a second draft was submitted to the Committee members by staff for their review and approval.

MOTION: Chairman Hoffa moved to recommend to the Board to amend A.R.S. § 32-2523, as proposed by staff in their second draft.
