NON-TIME SPECIFIC ITEM

- I. Legislative Agenda and Update**
 - a. Consideration of Arizona Senate Bill (SB) 1345**

Dr. McCalla provided correspondence to the Board that was read in his absence indicating that the Legislative Committee that he chairs for the Osteopathic Medical Association has reviewed SB 1345 and voted to recommend that their association support the Bill. Board members discussed the statutory changes highlighted in the Bill as well as the proposed amendments to the draft of SB 1345.

Mr. Tellier stated that in reviewing the changes that would occur if SB 1345 were passed, the establishment of the proposed Joint Executive Committee (JEC) pursuant to the addition of A.R.S. §32-1403(G) would need clarification as to what constitutes an administrative or management issue to be addressed by the Committee. Mr. Tellier expressed concern regarding the language that has been added to the paragraph regarding Executive Sessions of the JEC. Mr. Tellier stated that this proposed statutory change conflicts with A.R.S. §38-431.03(B) as it relates to the confidentiality of Executive Session discussions and who can have access to that information.

Board members discussed the proposed statutory change to A.R.S. §32-2523(A) with the addition that would require an audit of 10% of PAs who do not hold a current national certification to verify CME compliance. PA Hoffa explained that a large number of PAs are certified through the NCCPA, and that because the NCCPA requires 50 CME hours of Category I CME to maintain certification, this also satisfies the Board's requirement for PAs to complete CME to maintain licensure in Arizona. He stated that the change would therefore only require non-certified PAs to be audited by the ARBoPA in order to verify CME compliance.

MOTION: PA Whitfield moved to accept the spirit and language of SB 1345 and endorse it as such from the ARBoPA.

SECONDED: Dr. Finch

Board members discussed adding language to the JEC paragraph that would allow the ARBoPA Chair to appoint designees to the JEC to represent the ARBoPA in the Chair and/or Vice Chair's absence.

MOTION: Ms. Crevier moved to amend the Motion by adding language allowing the Chairman to appoint designees to represent the ARBoPA on the JEC in the Chairman or Vice Chairman's absence.

PA Hoffa offered a friendly amendment that the Motion include the statutory citation of A.R.S. §32-1405. PA Whitfield agreed to amend the Motion.

AMENDED MOTION: PA Whitfield moved to request that language be added to SB 1345, or other appropriate Bill, to request a change in the language of A.R.S. §32-1405 to reflect that the Executive Director shall serve at the pleasure of the JEC.
